Re: Petitions for Adoption by the Town of Lovell of a
Proposed Amendment to the Lovell Zoning Ordinance for
Regulation of Solar Energy Systems

Dear Chairmen Goldsmith and Wurm:

I enclose 201 petitions signed by registered voters of the Town of Lovell seeking to amend the Lovell Zoning Ordinance to provide for the regulation of solar energy systems. I also enclose the executed and sworn affidavits of Lynn Hurd, Thomas McLaughlin, Lisabeth Bender, Andrew Brosnan, Penny Williams, Tim Cyr and Stan Tupaj attesting to their collection of signatures on these petitions.

These signed petitions are presented pursuant to Section 11.1.D of the Town of Lovell Zoning Ordinance and 30-A M.R.S. § 2522. Accordingly, the petitioners request that the Planning Board hold a public hearing on this proposed amendment to the Zoning Ordinance within 35 days and that the Select Board insert the proposed amendment as an article in the next warrant issued or call a special town meeting within 60 days for its consideration. Thank you very much for your assistance.

Very truly yours,

Paul F. Driscoll
